It's a self-guided tour of seven pottery studio locations that includes forty-seven invited potters from around the nation. Always held on Mothers' Day weekend, "The Tour" is nationally recognized as a gathering of exceptional potters presenting an intriguing array of accomplished handmade ceramics.

## What is "The Tour"?

The seven pottery studios are located in the upper St. Croix River valley, less than a one-hour drive from Minneapolis and St. Paul, and each location is a short drive from the others. Admission to all the studios is free and open to everyone.

Visit our website: [minnesotapottery.com](http://minnesotapottery.com) to learn more about the potters, find lodging information, view a slide show and peruse the links to related websites.

As a way of saying "Thank You" for the enthusiastic support we experience with this event, a portion of the proceeds each year is donated to regional art and educational projects.
