May 10, 11, 12, 2019

"A good pot comes to fruition through use. In many ways it is the collaboration of the maker and the user." Sandy Simon

"Making pots at this moment in time is an act that honors our shared humanity and defies meaningless labor." Mark Shapiro

"Beginning with the geologic processes that form the coarse red clay, passing through our hands and kiln, the life of these pots is continued through years of daily use." Michael Hunt and Naomi Dalglish

The 27th Annual St. Croix Valley Pottery Tour

"The Tour" is a celebration of pottery and potters. Always held on Mothers' Day weekend, it is nationally recognized as a gathering of exceptional potters offering an intriguing array of handmade ceramics. We, the host potters, have invited fifty-four guest potters this year, coming from seventeen states and two from England. Together, we will present thousands of pots for sale at our seven pottery studio locations. Visit our website: minnesotapotters.com to learn more. We invite you to visit some or all seven studios, meet the potters, and enjoy their "open house" hospitality. Admission to all the studios is free and open to everyone.
