"The Tour" is a celebration of pottery and potters.
Always held on Mothers' Day weekend, it is nationally recognized as a gathering of exceptional
potters offering an intriguing array of handmade ceramics.
We, the host potters, have invited fifty-six guest potters this year, coming from eighteen states and
two from England. Together, we will present thousands of pots for sale at our seven pottery studio
locations. Visit our website: minnesotapotters.com to learn more.
We invite you to visit some or all seven studios, meet the potters, and enjoy their "open house"
hospitality. Admission to all the studios is free and open to everyone.

fuels the next in a
studio practice of
perpetual motion
without conclusion."
